

DOMESTIC ROUTING GUIDE

For shipments supporting all ULA locations:
Appendix A: Location and Contact Information

GENERAL INFORMATION

- These instructions are for all United Launch Alliance (ULA) shipments when ULA bears the shipping cost. All shipments shall be shipped freight “COLLECT” when inbound and “PREPAID” when outbound to/ from a ULA facility. “Third Party Billing” on drop shipments must include the ULA Purchase Order number on the freight bill. If there is no PO Number, then reference the buyer name on the freight bill. Failure to provide this information may result in the freight charges being reversed to the shipper. Third party billing applies to any shipment that is in support of the location(s) listed below
- DO NOT prepay shipments and add the freight cost to your invoice for material. Costs incurred by failure to ship collect using designated carriers will be the shipper’s responsibility.
- C.O.D (cash on delivery) is not authorized and all shipments will be refused.
- The ULA purchase order number must be clearly annotated on the packing list, freight bill and each container.
- Bar-coding requirements - Bar code marking of all containers is requested when possible. Labels should contain part number, nomenclature, quantity and purchase order number.
- Air charter transportation should only be used when authorized by the Supply Chain transportation services Manager or the ULA Transportation department.
- Do not insure any shipment or declare values. By declaring a value, you are requesting insurance and ULA shipments are already covered with a blanket Transit Damage & Loss Insurance Policy.
- Shipments with a value of \$100M or more are to be brought to the attention of Risk Management via the ULA Transportation department.
- CONSOLIDATE all shipments on one air bill or bill of lading per day. Multi-pack to consolidate various purchase orders in one carton when size of material allows.
- Materials requiring air-ride van or special handling are to be coordinated with the ULA Transportation department (see contacts below).
- Failure to comply with these instructions resulting in additional freight costs shall result in a debit to the shipper’s account for the excess transportation cost.
- **Contact ULA Procurement Representative for applicable account number.**

- Over-dimensional transportations MUST be scheduled by ULA Transportation and not directly by the vendor.
 - Please allow 5 day notice for over dimensional shipment requests
 - Please allow 14 day notice for super-sized shipment requests
 - Please allow 30 day notice for any super-sized shipment requests entering or departing the state of California
- When contacting ULA Transportation or the carrier for pickup of legal sized freight, please allow 3 day notice for pickup requests.
- Any problems incurred when using the ULA designated carriers should be directed to ULA Transportation department contacts:

Contact Name	Phone Number	Fax Number	Cell Number
Brent Enchiff	256-432-1699	256-432-1005	256-318-6398
Joe Richardson	256-432-1466	256-432-1005	256-221-1854

Supply Chain Transportation Services Manager
Sean Skifstrom: 256-432-1311

- **Domestic Shipments**
Note: The preferred method for all mail and small packages is via the U.S. Postal Service.

- Panther: 1-800-685-0657
<http://www.pantherexpedite.com/>
- UPS Freight: 1-800-333-7400
<http://ltl.upsfreight.com/aboutus/contactus/index.aspx>
- YRC: 1-800-610-6500 <http://www.yrc.com/>

PREMIUM GROUND (EXPEDITE)

- FedEx Custom Critical: 1-866-274-6117
<http://customcritical.fedex.com>
- Panther: 1-800-685-0657
<http://www.pantherexpedite.com/>

TRUCKLOAD/SPECIALIZED

Contact ULA Decatur Traffic personnel to schedule ALL over dimensional transports with the appropriate carriers. **Suppliers are not to contact freight vendors directly for oversized transports.** Site transportation or traffic personnel contact information is listed in the routing guide. Deadhead charges must always be approved by Decatur transportation and will be avoided if at all possible.

For legal size transports suppliers may utilize the following approved freight vendors:

Flatbed Trailer (Preferred):

- Bennett Motor Express (McDonough, GA): 1-800-866-5500 x 361
- Landstar (Longmont, CO): 1-888-235-7445

Step Deck Trailer (Preferred):

- Baggett Transportation (Birmingham, AL): 1-205-322-6501
- Landstar (Longmont, CO): 1-888-235-7445

Curtain Side Trailer (Preferred):

- Baggett Transportation (Birmingham, AL): 1-205-322-6501
- Bennett Motor Express (McDonough, GA): 1-800-866-5500 x 361
- Landstar (Longmont, CO): 1-888-235-7445

RGN Double Drop Trailer (Preferred):

- Anderson Trucking (St. Cloud, MN): 1-800-338-0498 Ext. 6
- Bennett Motor Express (McDonough, GA): 1-800-866-5500 x 361

Box Trailer (Preferred):

- Anderson Trucking (St. Cloud, MN): 1-800-338-0498 Ext. 6
- Baggett Transportation (Birmingham, AL): 1-205-322-6501
- Landstar (Longmont, CO): 1-888-235-7445

Straight Truck 18-24 ft (Preferred):

- Landstar (Longmont, CO): 1-888-235-7445
- Panther 1-800-685-0657:
<http://www.pantherexpedite.com/>

Cargo Van (Preferred):

- Landstar (Longmont, CO): 1-888-235-7445
- Panther: 1-800-685-0657
<http://www.pantherexpedite.com/>

INTERNATIONAL SHIPMENTS

All international shipments (imports or exports) are to be brought to the attention of ULA Global Trade Controls in Centennial, Colorado, for authorization and direction.

Phone: 303-269-5687

Contact must be made prior to any actions taken in support of a shipment.

Failure to comply with international regulations can result in non-compliance penalties:

- Criminal - up to \$1,000,000.00 and/or imprisoned for each violation.
- Civil - up to \$100,000.00 and/or imprisoned for each violation.
- Denial of export/import privileges.
